**2034:
CHATTANOOGA
IN THE MAKING**

**\$9,500
awarded**

In 2014, the
Downtown
Chattanooga
Library's 4th Floor
emerged as a
public makerspace
- a total overhaul
of what was once
just a storage
space. The 2024
Maker Day event
was to honor the
last 10 yrs of hard
work by the staff,
Board, volunteers
+ local creative
partners.

**250+
event attendees**

**THEN, INVESTED
BACK INTO THE LOCAL
CHATTANOOGA
ECONOMY**

**\$1,750
artist supplies
+ honorariums**

**\$500
busker stipends**

**\$800
videography**

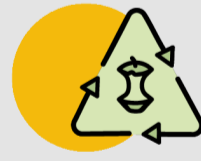

**\$150
afterparty things**

**\$155
food truck
zone app + fees**

**\$400
marquee letters**

**\$260
composting**

**\$1,000
marketing**

**\$585
printing/signs**

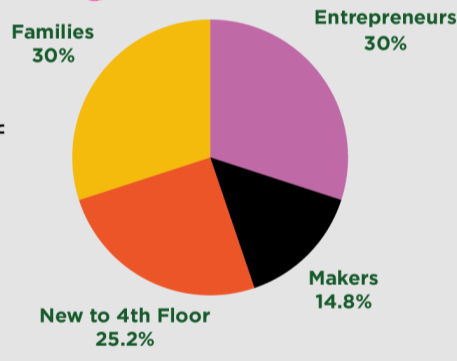

**\$1,400
local vendors**

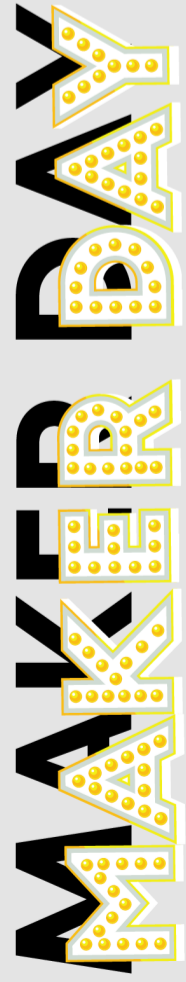

**\$2,500
RCC emerging
producer
monthly stipend**

85% Traveled to event
within 20 miles radius of
Downtown Chattanooga

**35+
local makers + artists**

100% of Maker Day
attendees expressed a
desire to return to the
4th Floor makerspace to
use the public amenities.

In 2023, River City Company announced
the launch of the Emerging Producers
Program - a cohort-model initiative to
support local producers with flagship
event ideas in the Downtown footprint.
Local Chattanooga, Cortina Jenelle
Caldwell, was selected to participate in
the program, with support for a "pop up
makerspace"-themed community day.
The 2034 @ Maker Day + overall planning
for Maker Day was a by-product of the
Emerging Producers training.
